ENTRY DEADLINE - JULY 1 to County Extension Office

RULES

1. General Livestock Rules and Regulations and 4-H General Rules and Regulations apply in this department.
2. The entry fee is \$17.50 per head and must be paid with entry. **No Refunds.**
Common bedding will be used in the barns for all dairy cattle. The stalls will be bedded by the Iowa State Fair Maintenance Staff with the fee included in the entry fee. No alternative bedding will be allowed on the grounds. Exhibitors will be allowed to purchase additional bedding to freshen stalls, but there will be a standard depth maintained.
3. Entries are open to registered and identified grade dairy animals that meet the stated 4-H & FFA and State Fair rules and regulations and were born before April 15, 2012. Animals entered are limited to those identified as either a 4-H or FFA project, but not both. Exhibitors may NOT show as both a 4-H and FFA exhibitor.
4. Each animal to be shown MUST have a completed livestock entry card brought to the State Fair for check-in. **Completed entry cards are due to the 4-H Dairy Office by 10:00 a.m. on Wednesday, August 8.** All information on the card must be completed including tattoo or ear tag, date of birth, and registration number. This information must match the information in 4hOnline and the animal's registration paper to be eligible to show.
5. Each dairy exhibitor will be provided with a special Youth Dairy Show t-shirt which they are required to wear while showing.
6. Any yearling heifer that has freshened prior to time of judging must be evaluated in a 2-year-old class.
7. Each animal must be registered or properly identified. All levels of registry are acceptable. Animals whose registration papers or identified grade papers are not approved by the Superintendent will not be allowed to enter the show.
8. Exhibitors may enter up to six head with no more than two entries per class.
9. Registered cattle may be entered in corresponding Open Classes provided additional entry is made on or before July 1 on an Open Class entry form, accompanied by an additional \$5 Open Class entry fee for each head. 4-H or FFA dairy animals also entered in the Open Classes must be entered in the same name as shown on the certificate of registry. All such entries are subject to Open Class rules.
In addition to those entered by July 1, 4-H or FFA dairy animals placing first and second in any class in this show may enter in the Open Class Show by making entry and paying an additional \$5 Open Class entry fee at the Cattle Barn Office by 7:00 p.m., Thursday, August 9.
10. **SUBSTITUTIONS** - Exhibitors may substitute provided the substitute animal was listed in 4hOnline by May 15.
11. Animals exhibited in this department must be housed in stalls designated by the Superintendent or forfeit all premiums earned. It shall be the prerogative of the Superintendent to reduce the number of stalls assigned to a county to the number actually required.
12. All animals will be judged on conformation only.
13. Placings will be made in four ribbon groups: purple, blue, red and white. Animals will be placed in numerical order within ribbon groupings. The number of animals in each grouping will be at the discretion of the judge.
14. First place winners from calf and yearling classes will compete for Junior Championship. First place in each of the cow classes are eligible for Senior Championship. Junior and Senior Champions will compete for Grand Champion.
15. **PREMIUMS** - Premiums will be prorated on an equal basis for purple, blue, red and white groups in the ratio of 5, 4, 3 and 2. Each animal in a grouping will be awarded the same amount of money. The maximum purple award shall not be greater than \$24. Premium amounts for classes 2-year-old or older will be double the above amount with a maximum of \$48 for a purple award.
16. \$10 additional premiums will be awarded to any exhibitor whose animal's most recently completed 305-2X-ME lactation exceeds the milk or combined fat and protein levels listed below. First lactation animals with a minimum of 180 days in milk can qualify using M.E. records. Animals can also qualify for combination fat and protein production. Cows can qualify for two premiums. All qualifying animals will receive a production rosette. Overall winners are determined by the percentage their production exceeds the levels listed for their breed.

BREED	MILK	COMBINED FAT AND PROTEIN
Ayrshire	18,750	1,300
Brown Swiss	20,000	1,500
Guernsey	17,000	1,350
Holstein	22,500	1,500
Jersey	16,000	1,350
Milking Shorthorn	13,000	1,000

It is up to the exhibitor to inform the show clerk at time of check-in which animals qualify. Exhibitors must provide verification of completed lactations (current DHI-203 Pedigree and Performance Evaluation) or records-in-progress (current DHI-200 sample day and lactation report) at animal check-in. This would be the most recent 305 day record or completed lactation.

17. If numbers in class warrant, the Superintendent will split classes accordingly.
