

**2010 IOWA STATE FAIR**  
**Free Stage Entertainment Application**  
**Due April 1, 2010**

---

The Iowa State Fair is pleased to provide an opportunity for Iowa talent to perform in front of audiences of all sizes. These performances are provided for exposure and experience rather than for a financial exchange.

The Iowa State Fair has four stages and one indoor facility for performances. All stages are equipped with a piano, equipment for CD players, a sound system, chairs, (no music stands) and stage crews. Performances are scheduled to start on the hour or half-hour and end 15 minutes before the next hour or half-hour. (For example; if you are scheduled for 9:00 a.m., you must be finished no later than 9:45 a.m.) This allows a 15 minute set up/tear down time between performers and also ensures that our show will begin as scheduled in the Daily Program.

Please remember when planning your event that time and dressing rooms are very limited. The Fair will provide signage for your performance.

Because of the large number of applications, final scheduling may take until the end of April. **We try to honor the dates you requested but sometimes, because of other scheduled events, this becomes impossible.** Please fill out **all three** choices and remember that weekend times are the hardest to get into. You will have a better chance of receiving your first choice if it is a weekday. Please keep the days of the Fair (Aug 12-22) open.

Please complete and return this entertainment application and a promotional packet to the Iowa State Fair, at the below address by April 1, 2010. **Please complete the entire application!** Packets submitted after deadline will not get as high a consideration as those received before deadline.

**IMPORTANT!** Due to the increase in the number and variety of performers, we are requiring that each **NEW** performer or group submit a promotional packet to help us in the selection process. This packet may include one or more of the following: documentation citing past awards or recognition of the performer or group, letters of recommendation, a listing of public appearances (including radio and TV), pictures and, if possible, a DVD or audio sample or your performance. Performers may substitute a website if site contains all the above elements or a combination of hard copy and website information. **If you have performed at the Iowa State Fair in 2009, you are not required to submit this information, as it is already on file.**

Iowa State Fair policy prohibits performers from soliciting contributions from the audience.

We appreciate those of you who have continued to support us with your performances through the years and also welcome any new performers.

**Your proposed act must be family-oriented and appropriate for all ages.**
