

Paul R. Knapp Animal Learning Center

Built in 2007, the Paul R. Knapp Animal Learning Center features 19,500 square feet of flexible space. Perfect for meetings, dinners, fundraisers, parties, weddings and small trade shows. Intimate events are right at home in this stunning brick venue.

The dramatic yet simple architecture is highlighted by large windows on the east and west sides and skylights that run the length of the building.

In addition, the climatized facility offers 5,000 square feet of covered exterior space and adjacent parking.
