

2016 Kids' Club Weekend Events!

These exclusive events are only for Kids' Club members who were on the membership roster by May 1, 2016. The RSVP is in April edition of the Kids Club Newsletter. There are only 30 spots available per event. Do not delay as these exclusive events will fill up fast!

Saturday, August 13 – Breakfast with the Butter Cow - Start your day with the world famous Butter Cow! Here is a once in a lifetime chance to meet our butter sculptress Sarah Pratt and enjoy a tour of the butter cow lead by Sarah along with a light breakfast. Being able to look at the butter cow without a line...priceless!

Meet at 8 a.m. at the John Deere Agriculture Building - North Entrance

Sunday, August 14 - The Dairy Story and I Milked A Cow - Have you ever wanted to milk a cow by hand? Here is your chance to learn everything there is to know about dairy cows in the state of Iowa by the kids who know them best! The Iowa State University Dairy Science Club members will teach you how to milk a cow, tell you the dairy story on how milk gets from the farm to your table along with a behind the scenes tour of the Iowa State Fair milking parlor!

Meet at 3 p.m. at the Boulevard of Dairy Breeds - North Annex of the Cattle Barn

Saturday, August 20 - You be the Judge! - Have you ever wondered how to judge a cow or what it really takes to get an animal ready to show at the Iowa State Fair? Well on Saturday, August 20 your questions will be answered. We will teach you how to judge a cow along with getting to meet some of our Iowa State Fair beef cattle exhibitors.

Meet at 10 a.m. at the Pioneer Pavilion - North Entrance

Sunday, August 21 – STEM Day at Kid's Club – What does STEM stand for? The Iowa Governor's STEM Advisory Council is focused on increasing student interest and achievement in science, technology, engineering, and mathematics (STEM). The STEM Council will take over the Grand Concourse on Sunday, August 21 and is busy planning dozens of hands-on activities for you to participate in so be sure to sign up!

Meet at 11 a.m. at the STEM Stage on the Grand Concourse
