FROM: FFA Entry Department

Thank you for entering the 2018 Iowa State Fair. Your exhibitor admission ticket, and load/unload permit(s) have been sent to your advisor. Each exhibitor will be given one load/unload permit that allows 30 minutes to load/unload animals and tack, but does not provide parking. The vehicle load/unload permit has been dated for the FFA Meat Goat Show. Please enter the Fairgrounds through gate 8. Vehicles entering the State Fairgrounds from Monday, August 6th to Sunday, August 19th, **MUST** have a load/unload pass. Contact your advisor for this pass. Vehicles without a permit will not be allowed to enter the Fairgrounds.

NOTE: Please remember to bring wood blocks to use when parking/setting your trailer.

Each Market Meat Goat exhibitor is required to fill out the Iowa State Fair FFA Animal Care and Management Disclosure Statement which can be found at <http://www.iowastatefair.org/participate/competition/how-to-enter/#ffa>. The Animal Care and Management Disclosure Statement must be on file before the exhibitor can show their livestock. **ALL treatment given to animals since nomination time must be listed on the Statement.**

Please read the rules and regulations listed in the Premium Book. A few rules to note:

- At any time after an animal arrives on the fair or livestock show premises **medication of any kind is to be administered to livestock animals by an Official Iowa State Fair Veterinarian ONLY.** If an FFA exhibitor or his/her assistant administers a shot or medication, this exhibitor shall be barred from showing and premiums will be taken away.

New for 2018

Positive tests will result in immediate disqualification of the animal, forfeiture of ribbons, trophies, premiums and sale prices. The exhibitor of that animal and the exhibitor's family may be barred from participation in future Iowa State Fairs.

Upon arrival please take your animals' health certificates to the Veterinary Office for approval. Health certificates must be examined, approved and stamped by the veterinarian in the Veterinary Office prior to animals being checked in. Health Certificates not completed properly will be denied and the owner will be required to obtain a new certificate at owner's expense. The Iowa State Fair must be listed as the destination.

Livestock Release Procedure

To help alleviate traffic congestion and expedite load out procedures a process for livestock release will be used again this year. Please familiarize yourself with the following steps. Cooperation from all exhibitors is greatly appreciated and will provide a better experience for everyone.

1. Exhibitor will go to the barn office to obtain a release form no earlier than 30 minutes before scheduled release time.
2. Exhibitor will take the release form to the appropriate trailer lot to receive their load-out mirror hanger. **ALL** vehicles picking up livestock **MUST** go to a trailer lot to get a load-out mirror hanger before being allowed on the Fairgrounds.
3. Trucks and trailers will be lined up according to species/barn.
4. Vehicles will be released from trailer lots to the Fairgrounds.

FFA meat goats will be released after the FFA show until 9:00 p.m. on Friday, August 17th. If you are staying for the Open Class Meat Goat show you will be released at 4:00 p.m. on Sunday, August 19th and must be out by 6 p.m.

Please make every effort to keep your area clean and neat. The aisles must be open at all times to the public. Thank you for helping us put on a great display of quality show animals for all visitors and other exhibitors.
