Livestock Release Procedure:

1. Exhibitor will go to the barn office to obtain a release form no earlier than 30 minutes before scheduled release time.
2. Exhibitor will take the release form to the appropriate trailer lot to receive their load-out mirror hanger. ALL vehicles picking up livestock MUST go to a trailer lot to get a load-out mirror hanger before being allowed on the Fairgrounds.
3. Trucks and trailers will be lined up according to species/barn.
4. Vehicles will be released from trailer lots to the Fairgrounds.
